# Step-by-step guide how to play the game:

## Step 1:

### Download digiton club :

Download the Digiton Game easily by searching for it or using the links on the official website. It's quick to download and won't take up much space on your device.

## Step 2:

### Create Your Account :

After downloading the Digiton Game, setting up your profile is easy and only takes a few minutes. Just enter your username, email, phone number, and password, and you're ready to start playing!

## Step 3:

### Choose your Contest :

There are four types of contests:

30-second contest,

3-minute contest,

15-minute contest,

and the Special Mega Contest.

To join the contest you want, simply click on it.

## Step 4:

# Start by selecting your lucky 5 numbers from 0-9:

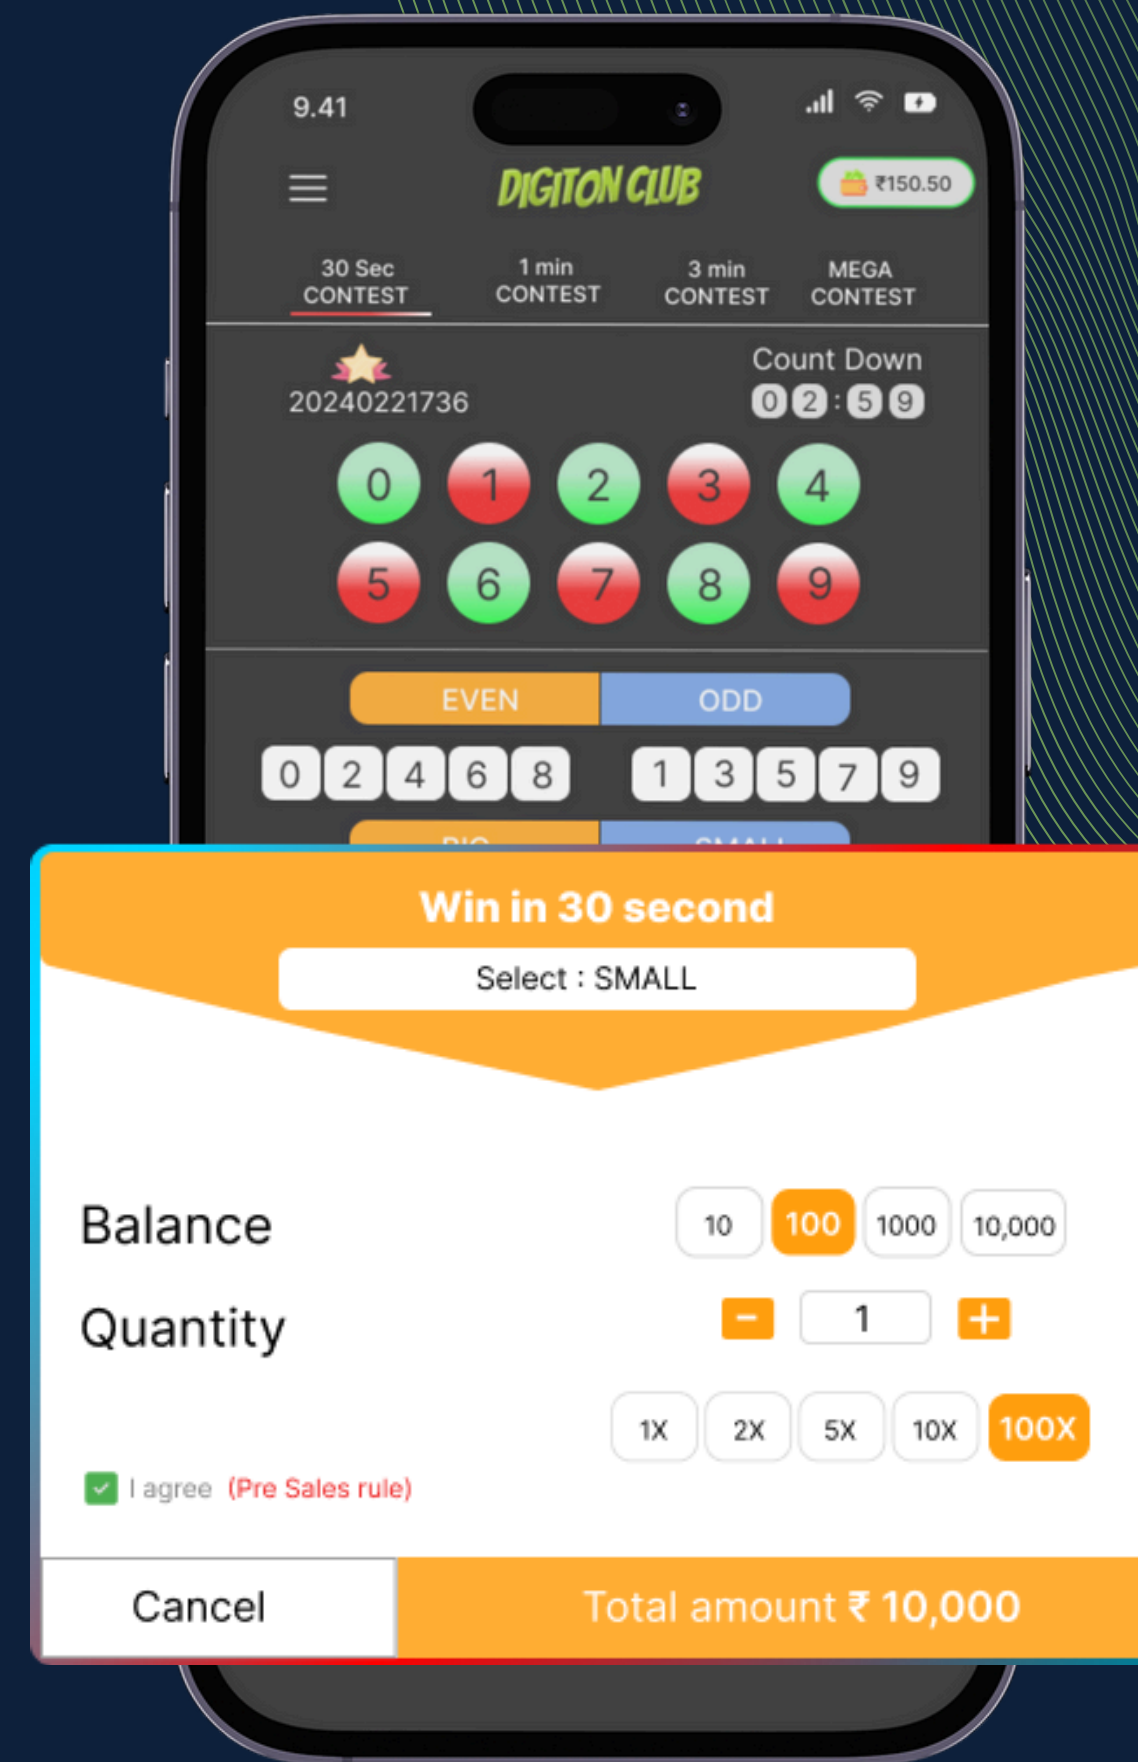

Pick 5 numbers from 0 to 9 or auto-select "EVEN, ODD, BIG, or SMALL." Join up to 6 slots, then click "JOIN"!

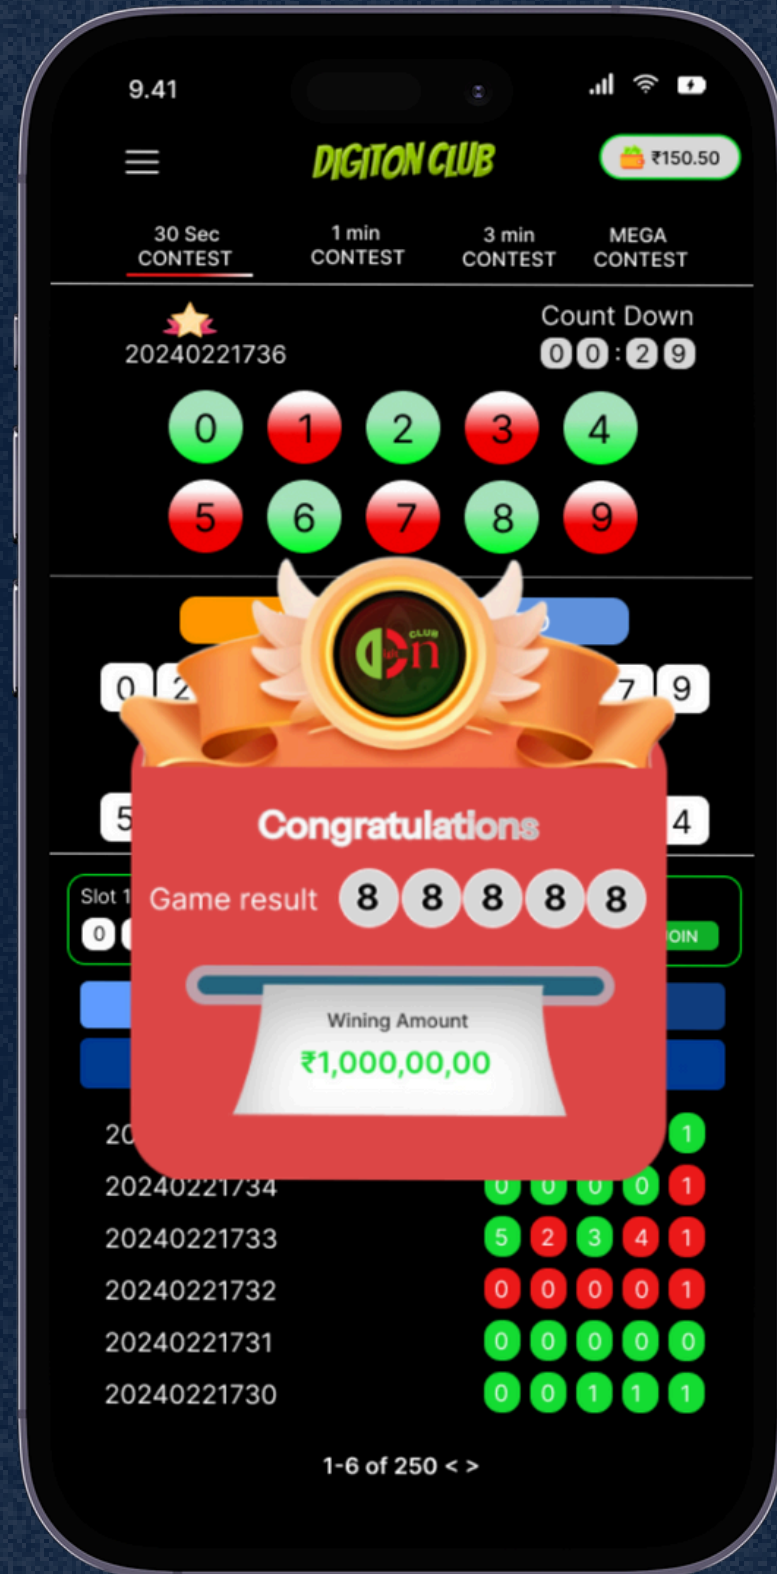

## Step 5:

### Bet your amount :

Next, you need to place your bet, which is at least 10 rupees to join the game. You can bet more if you want. After joining, your game starts, and you'll see the results once the contest ends.

**Congratulations! You've won the game:**

Here are the final results of your chosen numbers. Keep playing to earn more rewards daily!

## **The one and only, our Special JACKPOT WINNING CONTEST MEGA CONTEST :**

- **Special Mega Contest will be held every night at 9:00 PM.**
- **There will be a competition between participants. The more accurate the match, the higher the chances of winning.**
- **It could be 2, 3,4 or 5 matches—the more matches, the higher the participant will rank.**
- **The 1st prize is to be in lakhs or crores.**
- **Multiple slots will increase the chances of winning the mega contest.**

# Reward distribution from your lucky 5 numbers :

- If 2 numbers match, the reward will be **2x**.
- If 3 numbers match, the reward will be **30x**.
- If 4 numbers match, the reward will be **40x**.
- If 5 numbers match, the reward will be **50x**.
